

Ministry of the Month

So many ministries just happen or so it would appear. As we looked at the blessing this church has in each and every ministry we recognized God at work. So each month through the coming year we will celebrate one ministry. In every ministry there are ways we are blessed and ways we bless others.

Be Blessed... *Faith in Action*

The Faith in Action Committee seeks to promote, plan, and coordinate selective efforts of the church with regard to evangelism and community outreach. It is a “connection point” for individuals willing to provide leadership or support for important outreach endeavors. In the past these have included:

- **Holy COW** (Clothe our Wounded) 2008 program which provided toiletries and clothing for wounded soldiers and injured Iraqi citizens treated at Sine Hospital in Baghdad
- **FIA Emergency Fund** launched to provide immediate aid to families in our community made homeless due to house fires or other disasters.
- **Moravian College Christian Fellowship Partnership** coordinating joint outreach projects between College Hill and the College Fellowship including making blankets for the homeless & collecting food for New Bethany Ministries.
- **Support for Short Term Missions** such as today's Valentine Lunch for Missions

Be a Blessing

FIA meets about four times a year and is open to anyone interested in providing leadership or support for specific congregational outreach endeavors. The next meeting of FIA will take place **tomorrow, Feb. 16 at 7pm** at the church. All are welcome!
